

# The Landings Management Company Limited (LMC)

## Member Voting Form.

**N.B. Tenants are not eligible to vote. Please pass the form on to the property owner.**

Please note that one person per property is deemed to be the Member, owning one share of the LMC and having one vote. As set out in the Articles of Association, if the property is owned by more than one person, the Member is the person whose name appears first on the ownership transfer document signed at the time of purchase of the property. Please read, complete and return this form as directed below.

The letter explaining the background to this situation is attached. Please read it before completing the form. This is an important decision for the future of The Landings.

The Landings Management Board has agreed to poll all members of the LMC on either upholding the established principle of a brown finish to windows and doors across the estate or, if change is chosen by a majority vote, to ascertain what changes might be agreed upon. Some alternatives are offered below or you may choose to put forward your own suggestion in the space provided.
